Under the Euro Medium Term Note Programme described in this Base Prospectus (the "**Programme**"), Elis (the "**Issuer**" or "**Elis**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the "**Notes**"). The Notes will, upon their issue, be guaranteed by M.A.J. (the "**Guarantor**" or "**M.A.J.**") under a guarantee (cautionnement solidaire) to be dated on or before the Issue Date (as defined below) of such Notes (the "**Guarantee**"). The form of the Guarantee is contained herein and its application and enforceability is subject to certain conditions and limitations as further described herein. The aggregate nominal amount of Notes outstanding will not at any time exceed EUR 4,000,000,000 (or the equivalent in other currencies at the date of issue of any Notes). Subject to compliance with all relevant laws, regulations and directives, Notes issued by Elis may be issued in euro, sterling, US dollars, Japanese yen, Swiss francs, Australian dollar and in any other currency agreed between the Issuer and the relevant Dealers.

This Base Prospectus has been approved by the Autorité des marchés financiers (the "**AMF**") in France, in its capacity as competent authority pursuant to Regulation (EU) 2017/1129 (the "**Prospectus Regulation**"). The AMF only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of either the Issuer, the Guarantor or the quality of the Notes which are the subject of this Base Prospectus and investors should make their own assessment as to the suitability of investing in the Notes.

Application may be made (i) to Euronext Paris during the period of 12 months from the date of this Base Prospectus for Notes issued under the Programme to be admitted to trading and/or (ii) to the competent authority of any other Member State of the European Economic Area (the "**EEA**") for Notes issued under the Programme to be admitted to trading on a Regulated Market (as defined below) in such Member State. Euronext Paris is a regulated market for the purposes of the Markets in Financial Instruments Directive 2014/65/EU of 15 May 2014, as amended (a "**Regulated Market**"). However, Notes may be issued pursuant to the Programme which are not admitted to trading on any Regulated Market. The relevant final terms (the "**Final Terms**") (a form of which is contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be admitted to trading, and, if so, the relevant Regulated Market. The minimum denomination of each Note will be €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency).

As of the date of this Base Prospectus, the Issuer has been respectively rated "Ba2" (outlook negative) by Moody's Investors Service Ltd. ("**Moody's**"), "BB" (outlook negative) by S&P Global Ratings Europe Limited ("**S&P Global Ratings**"). Each of S&P Global Ratings and Moody's is established in the European Union or in the United Kingdom, is registered under Regulation (EC) No 1060/2009 of 16 September 2009 on credit rating agencies as amended (the "**CRA Regulation**") and is included in the list of registered credit rating agencies published on the website of the European Securities and Markets Authority (www.esma.europa.eu/supervision/credit-rating-agencies/risk). The rating(s) of the Notes (if any) will be specified in the relevant Final Terms, including as to whether or not such credit ratings are issued by credit rating agencies established in the European Union or in the United Kingdom, registered (or which have applied for registration) under the CRA Regulation and included in the list of registered credit rating agencies published on the website of the European Securities and Markets Authority (www.esma.europa.eu/supervision/credit-rating-agencies/risk). A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency without notice.

Notes may be issued either in dematerialised form ("**Dematerialised Notes**") or in materialised form ("**Materialised Notes**") as more fully described herein. Dematerialised Notes will at all times be in book entry

form in compliance with Articles L.211-3 et seq. of the French Code monétaire et financier. No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in bearer dematerialised form (au porteur) inscribed as from the issue date in the books of Euroclear France ("**Euroclear France**") (acting as central depository) which shall credit the accounts of Account Holders (as defined in "Terms and Conditions of the Notes — Form, Denomination(s), Title and Redenomination") including Euroclear Bank SA/NV ("**Euroclear**") and the depository bank for Clearstream Banking S.A. ("**Clearstream**") or in registered dematerialised form (au nominatif) and, in such latter case, at the option of the relevant Noteholder (as defined in "Terms and Conditions of the Notes — Form, Denomination(s), Title and Redenomination"), in either fully registered form (au nominatif pur), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (au nominatif administré) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for Definitive Materialised Notes in bearer form with, where applicable, coupons for interest attached, on or after a date expected to be on or about the 40th calendar day after the issue date of the Notes (subject to postponement as described in "Temporary Global Certificates issued in respect of Materialised Bearer Notes") upon certification as to non-U.S. beneficial ownership as more fully described herein.

Temporary Global Certificates will (a) in the case of a Tranche (as defined in "General Description of the Programme") intended to be cleared through Euroclear and/or Clearstream be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined herein) of Notes will be set out in the Final Terms.

Prospective investors should have regard to the factors described under the section headed "Risk Factors" in this Base Prospectus.

The date of this Base Prospectus is 29 April 2020.

This Base Prospectus (together with any supplements thereto published from time to time (each a "Supplement" and, together, the "Supplements")) constitutes a base prospectus for the purposes of Article 8 of the Prospectus Regulation, and for the purposes of giving information, with regard to the Issuer and its fully consolidated subsidiaries (the " Group") and the Notes, which is necessary information which is material to an investor for making an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer, the Guarantor and the rights attached to the Notes and the Guarantee, the reasons for the issuance of the Notes and its impact on the Issuer.

This Base Prospectus should be read and construed in conjunction with any Supplement thereto and with any other documents incorporated by reference (see "*Documents Incorporated by Reference*"), each of which shall be incorporated in and form part of this Base Prospectus and, in relation to any Series (as defined herein) of Notes, should be read and construed together with the relevant Final Terms, the Base Prospectus and the Final Terms being together, the "Prospectus".

No person is or has been authorised to give any information or to make any representation other than those contained in this Base Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Guarantor, any of the Dealers or the Arranger (each as defined at the end of this Base Prospectus). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer, those of the Group or the Guarantor since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer, that of the Group or the Guarantor since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by the Issuer, the Guarantor, each of the Dealers and the Arranger to inform themselves about and to observe any such restriction.

THE NOTES AND THE GUARANTEE HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND THE NOTES MAY INCLUDE NOTES IN BEARER FORM THAT ARE SUBJECT TO U.S. TAX LAW REQUIREMENTS. SUBJECT TO CERTAIN EXCEPTIONS, NOTES MAY NOT BE OFFERED, SOLD OR, IN THE CASE OF MATERIALISED NOTES IN BEARER FORM, DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS. FOR A DESCRIPTION OF CERTAIN RESTRICTIONS ON OFFERS AND SALES OF NOTES AND ON DISTRIBUTION OF THIS BASE PROSPECTUS, SEE "SUBSCRIPTION AND SALE".

No action has been taken by the Issuer, the Guarantor or any of the Dealers which would permit a public offering of any Notes or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered

or sold, directly or indirectly, and neither this Base Prospectus nor any Final Terms or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations.

Neither this Base Prospectus nor any Final Terms constitutes an offer of, or an invitation by or on behalf of the Issuer, the Guarantor, any of the Dealers or the Arranger to subscribe for, or purchase, any Notes.

The Notes are not intended to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA") or in the United Kingdom (the "UK"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended ("MiFID II"); or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014, as amended (the "PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been or will be prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

In connection with Section 309B of the Securities and Futures Act (Chapter 289) of Singapore (the "SFA") and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the "CMP Regulations 2018"), unless otherwise specified before an offer of Notes, the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are prescribed capital markets products (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Base Prospectus or any Final Terms and other offering material relating to the Notes, see "Subscription and Sale".

The Final Terms in respect of any Notes may include a legend entitled "MiFID II Product Governance" which will outline the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018, and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the "MiFID Product Governance Rules"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MIFID Product Governance Rules.

None of the Arranger or the Dealers has separately verified the information contained in this Base Prospectus. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Base Prospectus. Neither this Base Prospectus nor any other information incorporated by reference in this Base Prospectus is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Guarantor, the Arranger or the Dealers that any recipient of this Base Prospectus or any Final Terms or any other information incorporated by reference should subscribe for or purchase the Notes. In making an investment decision regarding the Notes, prospective investors must rely on their own independent investigation and appraisal of the Issuer, the Guarantor or the Group and the terms of the offering, including the merits and risks involved. For further details, see "Risk Factors" herein. The contents of this Base Prospectus or any Final Terms are not to be construed as legal, business or tax advice. Each prospective investor should determine for itself and/or consult its own advisers as to legal, tax, financial, credit and related aspects of an investment in the Notes. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer, the Group or the Guarantor during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances. Each prospective investor in the Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer, the Guarantor or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

Investors whose investment activities are subject to investment laws and regulations or to review or regulation by certain authorities may be subject to restrictions on investments in certain types of debt securities. Investors should review and consider such restrictions prior to investing in the Notes.

Neither the Issuer, the Guarantor, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor in the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

Taxation considerations

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the jurisdiction where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial

instruments such as the Notes. Potential investors should ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, disposal and redemption of the Notes. Only these advisers are in a position to duly consider the specific situation of the potential investor.

Taxation All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes and Coupons or the Guarantor in respect of the Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or

within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

If applicable law should require that payments of principal or interest made by the Issuer in respect of any Note or Coupon or by the Guarantor in respect of the Guarantee be subject to withholding or deduction in respect of any present or future taxes, duties, assessments or governmental charges of whatever nature levied by the Republic of France, the Issuer or, as the case may be, the Guarantor, will, save in certain circumstances, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required.

Admission to Trading Notes of any particular Series may be admitted to trading on Euronext Paris and/or such other stock exchanges (whether a regulated market or not) as may be specified in the applicable Final Terms, or unlisted. The applicable Final Terms will state whether or not the relevant Notes are to be admitted to trading and, if so, on which stock exchange(s).

Selling Restrictions For a description of certain restrictions on offers, sales and deliveries of Notes and on distribution of offering material, see “Subscription and Sale”.

US Selling Restrictions Category 2 restrictions apply to the Notes pursuant to Regulation S under the U.S. Securities Act of 1933, as amended.

Governing law The Notes and the Guarantee are governed by, and shall be construed in accordance with, French law.

RISK FACTORS

The Issuer and the Guarantor believe that the following factors may affect their ability to fulfil their obligations under the Notes issued under the Programme and/or, as the case may be, the Guarantee. All of these factors are contingencies which may or may not occur.

Prospective investors should read the detailed information set out elsewhere in this Base Prospectus (including any document incorporated by reference herein, in particular the 2019 universal registration document filed with the AMF on 2 April 2020 under number D.20-0236 (the “2019 Universal Registration Document”)) and reach their own views prior to making any investment decision.

Factors which the Issuer and the Guarantor believe are specific to the Issuer, the Guarantor and/or the Notes and may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer and the Guarantor believe that the factors described below represent the principal risks relating to the Issuer, the Guarantor and their operations that are inherent in investing in Notes issued under the Programme, but the inability of the Issuer or the Guarantor, as the case may be, to pay interest, principal or other amounts on or in connection with any Notes and/or, as the case may be, the Guarantee may occur for other reasons and neither the Issuer nor the Guarantor represents that the statements below regarding the risks of holding any Notes are exhaustive. The risks described below are not the only risks the Issuer and the Guarantor face. Additional risks and uncertainties not currently known to the Issuer and the Guarantor or that they currently believe to be immaterial could also have a material impact on their business operations.

For the purpose of this section headed “Risk factors”, the “Group” is defined as the Issuer and its consolidated subsidiaries, including the Guarantor.

Terms defined herein shall have the same meaning as in the “Terms and Conditions of the Notes”.

A. RISK FACTORS RELATING TO THE ISSUER

Risks factors relating to the Group and its activity are described on pages 121 to 133 of the 2019 Universal Registration Document which is incorporated by reference into this Base Prospectus.

Those risk factors include the following:

- Strategic risks (including risks related to the consequences of the Covid 19 pandemic, risks related to acquisitions, integrations and disposals and risks related to the competitive landscape);
- Operational risks related to the Group’s business (including risks related to the customer base, risks related to the Group’s international operations, risks related to IT systems, risks related to supply chain disruptions and risks related to fires and industrial accidents);
- Financial risks (including liquidity risk and currency risk; and
- Legal, regulatory, and tax risks (including risks related to disputes and litigations, risks related to compliance with antitrust regulations and risks related to restrictive regulations in some of the Group’s business sectors).

B. RISK FACTORS RELATING TO THE GUARANTOR

The risks related to the Guarantor are similar to those listed for the Issuer and the Group, being provided that as regards operational activities, the Guarantor runs a high number of industrial laundries, had an average workforce of 7,432 employees on 31 December 2019 and is virtually exclusively active in France.

C. RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe some of the risk factors that are material to the Notes to be offered and/or admitted to trading in order to assess the market risk associated with these Notes. They do not describe all the risks of an investment in the Notes.

1. Risks relating to the trading market of the Notes

(i) Market Value of the Notes

Application may be made to list and/or admit any Series of Notes issued hereunder to trading on Euronext Paris and/or any other Regulated Market. Therefore, the market value of the Notes will be affected by the creditworthiness of the Issuer, the Guarantor and/or that of the Group and a number of additional factors, including, but not limited to, the volatility of market interest and yield rates and the time remaining to the maturity date. If the creditworthiness of the Issuer, the Guarantor and/or the Group deteriorates, this could have a material adverse impact on the Noteholders and, as a result, (i) the Issuer and/or may not be able to fulfil all or part of its payment obligations under the Notes and/or the Guarantee and (ii) the value of the Notes may decrease, and Noteholders may lose all or part of their investment.

The value of the Notes depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and Euronext Paris and/or any other Regulated Market or stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such Noteholder.

(ii) Liquidity Risks/Trading Market for the Notes/No Active Secondary Market for the Notes

Application may be made to list and/or admit any Series of Notes issued hereunder to trading on Euronext Paris and/or any other Regulated Market. The Notes may not have an established trading market when issued and one may not develop. There can be no assurance of a secondary market for the Notes or the continued liquidity of such market if one develops. The absence of liquidity may have a significant material adverse effect on the value of the Notes.

The development or continued liquidity of any secondary market for the Notes will be affected by a number of factors such as general economic conditions, the financial condition, the creditworthiness of the Issuer, the Guarantor and/or the Group, and the value of any applicable reference rate, as well as other factors such as the complexity and volatility of the reference rate, the method of calculating the return to be paid in respect of such Notes, the time remaining to the maturity of the Notes, the outstanding amount of the Notes, any redemption features of the Notes as specified in Condition 7 of the Terms and Conditions of the Notes, the performance of other

instruments (e.g., commodities or securities) linked to the reference rates and the level, direction and volatility of interest rates generally. Such factors also will affect the market value of the Notes. In addition, certain Notes may be designed for specific investment objectives or strategies and therefore may have a more limited secondary market and experience more price volatility than conventional debt securities.

Noteholders may not be able to sell Notes readily or at prices that will enable Noteholders to realise their anticipated yield. This could have a material adverse impact on the Noteholders and, as a result, Noteholders could lose all or part of their investment in the Notes.

(iii) Exchange Rate Risks and Exchange Controls

The principal of, or any return on, Notes may be payable in, or determined by reference to, one or more Specified Currencies (including exchange rates and swap indices between currencies or currency units) specified in the relevant Final Terms. For investors whose financial activities are denominated principally in a currency or currency unit (the “**Investor’s Currency**”) other than the Specified Currency, or where principal or return in respect of Notes is payable by reference to the value of one or more Specified Currencies other than by reference solely to the Investor’s Currency, an investment in such Notes entails significant risks that are not associated with a similar investment in a debt security denominated and payable in such Investor’s Currency. Such risks include, without limitation, the possibility of significant fluctuations in the rate of exchange between the applicable specified currency and the Investor’s Currency and the possibility of the imposition or modification of exchange controls by authorities with jurisdiction over such Specified Currency or the Investor’s Currency. Such risks generally depend on a number of factors, including financial, economic and political events over which the Issuer has no control.

Appreciation in the value of the Investor’s Currency relative to the value of the applicable Specified Currency would result in a decrease in the Investor’s Currency-equivalent yield on a Note denominated, or the principal of or return on which is payable, in such Specified Currency, in the Investor’s Currency-equivalent value of the principal of such Note payable at maturity (if any) and generally in the Investor’s Currency-equivalent market value of such Note. In addition, depending on the specific terms of a Note denominated in, or the payment of which is determined by reference to the value of, one or more Specified Currencies (other than solely the Investor’s Currency), fluctuations in exchange rates relating to any of the currencies or currency units involved could result in a decrease in the effective yield on such Note and, in certain circumstances, could result in a loss of all or a substantial portion of the principal of such Note to the investor.

Government and monetary authorities have imposed from time to time, and may in the future impose, exchange controls that could adversely affect exchange rates, as well as the availability, of the specified currency in which a Note is payable at the time of payment of the principal or return in respect of such Note. As a result, Noteholders may receive less interest or principal than expected, or no interest or principal. This may result in a significant loss on any capital invested from the perspective of a Noteholder whose domestic currency is not the Specified Currency.

2. Risks relating to the legal form of the Notes and other legal issues

(i) French Insolvency Law

As *sociétés anonymes* incorporated in France, French insolvency laws apply to the Issuer and the Guarantor. Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”) in case of the opening in France of an accelerated preservation (*procédure de sauvegarde accélérée*) or an accelerated financial preservation

(*procédure de sauvegarde financière accélérée*) or a preservation (*procédure de sauvegarde*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) of the Issuer or the Guarantor, in order to defend their common interests.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes) or under which payments remain due under the Guarantee, whether or not under the debt issuance programme of the Issuer (such as a Euro Medium Term Notes programme) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), accelerated safeguard plan (*projet de plan de sauvegarde accélérée*), accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer or the Guarantor and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing-off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into shares or securities that give or may give right to the share capital.

In accordance with the provisions of Condition 12, decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders expressing a vote). No quorum is required on convocation of the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in Condition 12 of the Terms and Conditions of the Notes set out in this Base Prospectus and, if applicable, as completed by the applicable Final Terms will not be applicable to the extent that they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

The procedures, as described above or as they will or may be amended, could have an adverse impact on holders of the Notes seeking repayment in the event that the Issuer, the Guarantor or the Issuer's Subsidiaries were to become insolvent.

In addition, it should be noted that a Directive (EU) 2019/1023 "on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt, and amending Directive (EU) 2017/1132" has been adopted by the European Union on 20 June 2019. Once transposed into French law (which is scheduled to happen by 17 July 2021 at the latest), such directive should have a material impact on French insolvency law, especially with regard to the process of adoption of restructuring plans under insolvency proceedings. According to this directive, "affected parties" (i.e., creditors, including the Noteholders) shall be treated in separate classes which reflect certain class formation criteria for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that are sufficiently similar to justify considering the members of the class a homogenous group with commonality of interest. As a minimum, secured and unsecured claims shall be treated in separate classes for the purpose of adopting a restructuring plan. A restructuring plan shall be deemed to be adopted by affected parties, provided that a majority in the amount of their claims or interests is obtained in each and every class (the required majorities shall be laid down by Member States at not higher than 75% in

the amount of claims or interests in each class). If the restructuring plan is not approved by each and every class of affected parties, the plan may however be confirmed by a judicial or administrative authority by applying a cross-class cram-down.

Therefore, when such directive is transposed into French law, it is likely that the Noteholders will no longer deliberate on the proposed restructuring plan in a separate assembly, meaning that they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, the Noteholders will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down.

The commencement of insolvency proceedings against the Issuer or the Guarantor would have a material adverse effect on the market value of Notes issued by the Issuer. Any decisions taken by the Assembly or a class of creditor, as the case may be, could negatively impact the Noteholders and cause them to lose all or part of their investment, should they not be able to recover amounts due to them from the Issuer.

(ii) Credit Risk

An investment in the Notes involves taking credit risk on the Issuer and the Guarantor. If the financial situation of the Issuer and/or the Guarantor deteriorates, they may not be able to fulfil all or part of their payment obligations under the Notes and/or the Guarantee, as the case may be, and investors may lose all or part of their investment. The price of the Notes will also depend on the creditworthiness, or perceived creditworthiness, of the Issuer. If the creditworthiness, or the perceived creditworthiness, of the Issuer deteriorates the value of the Notes may decrease and investors may lose all or part of their investment.

(iii) Potential conflicts of Interest

All or some of the Dealers which may be appointed in relation to a given issuance of Notes and their affiliates may engage, in investment banking, commercial banking and other financial advisory and commercial dealings with the Issuer and its affiliates and the Guarantor and in relation to securities issued by any entity of the Group. They may (i) engage in investment, banking, trading or hedging activities including in activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer, the Guarantor or other companies of the Group. In the context of these transactions, some of such Dealers may hold shares or other securities issued by entities of the Group. Hence, the Dealers for a Tranche of Notes may have interests differing from the Noteholders' interests with respect to the implementation of an issue of Notes.

Certain of the Dealers or their affiliates that have a lending relationship with the Issuer or the Guarantor routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such positions could adversely affect future trading prices of Notes issued under the Programme.

Each of the Issuer, the Guarantor and the Dealers may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the Calculation Agent, if any, for a Tranche of Notes and the Noteholders (including where a Dealer acts as a calculation agent), including with

respect to certain discretionary determinations and judgments that such Calculation Agent may make pursuant to the Terms and Conditions of the Notes that may influence the amount receivable upon redemption of the Notes.

(iv) Modification and waivers

Condition 12 of the Terms and Conditions contains provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit in certain cases defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting, Noteholders who voted in a manner contrary to the majority and Noteholders who did not respond to, or rejected, the relevant Written Resolution. In the event where a decision to modify the Terms and Conditions of the Notes would be adopted by a defined majority of Noteholders and such modifications would impair or limit the rights of the Noteholders, this may have a negative impact on the market value of the Notes.

3. Risks relating to the structure of a particular issue of Notes

The Terms and Conditions of the Notes allow for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for Noteholders depending on the specific features of such Notes such as, inter alia, the provisions for computation of periodic interest payments, if any, redemption and issue price.

(i) Optional Redemption at the option of the Issuer

The Issuer has the option, if so provided in the relevant Final Terms, to redeem the Notes, in whole but not in part, or in whole or in part, as the case may be, under a call option as provided in Condition 7(b), a make-whole call option as provided in Condition 7(c), a residual maturity call option as provided in Condition 7(d), or a clean-up call option as provided in Condition 7(i). In addition, the Issuer may, and in certain circumstances shall, redeem the Notes in whole but not in part, further to the occurrence of certain withholding tax events described in Condition 7(g).

Any optional redemption feature where the Issuer is given the right to redeem the Notes early might negatively affect the market value of such Notes. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. Furthermore, since the Issuer may be expected to redeem the Notes when prevailing interest rates are relatively low, a Noteholder might not be able to reinvest the redemption proceeds at an effective interest rate as high as the return that would have been received on such Notes had they not been redeemed.

As a consequence, the yields received by the Noteholders upon such early redemption may be lower than expected, and the redeemed face amount of the Notes may be lower than the purchase price for the Notes paid by the Noteholder. As a result, part of the capital invested by the Noteholder may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested. In addition, Noteholders that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes. Should the Notes at such time be trading well above the price set for redemption, the negative impact on the Noteholders' anticipated returns would be significant.

In particular, with respect to the Clean-Up Call Option, there is no obligation under the Condition 7(i) of the Terms and Conditions of the Notes for the Issuer to inform Noteholders if and when the Clean-Up Percentage (as specified in the relevant Final Terms) has been reached or is about to

be reached, and the Issuer's right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of the Clean-Up Call Option, the Notes may have been trading significantly above par, thus potentially resulting in a loss of capital invested.

(ii) The Make-Whole Redemption by the Issuer is exercisable in whole or in part and exercise of the Make-Whole Redemption by the Issuer in respect of certain Notes may affect the liquidity of the Notes in respect of which such option is not exercised

The Make-Whole Redemption by the Issuer provided in Condition 7(c) is exercisable in whole or in part. If the Issuer decides to redeem the Notes in part only, such partial redemption shall be effected by reducing the nominal amount of all such Notes in proportion to the aggregate nominal amount redeemed.

Depending on the proportion of the principal amount of all of the Notes so reduced, any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid. The absence of liquidity may have a material adverse effect on the value of the Notes.

(iii) Exercise of the Put Option in case of Change of Control in respect of certain Notes may affect the liquidity of the Notes of the same Series in respect of which such option is not exercised

Depending on the number of Notes of the same Series in respect of which the Put Option in case of Change of Control provided in the relevant Final Terms is exercised in accordance with the provisions of Condition 7(l), any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid. The absence of liquidity may have a material adverse effect on the value of the Notes.

(iv) Fixed Rate Notes

Condition 6(b) of the Terms and Conditions of the Notes allows for Fixed Rate Notes to be issued. Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

While the nominal interest rate of a Fixed Rate Note is determined during the term of such Note or within a given period of time, the market interest rate (the "**Market Interest Rate**") typically varies on a daily basis. As the Market Interest Rate changes, the price of the Note varies in the opposite direction. If the Market Interest Rate increases, the price of the Note typically decreases, until the yield of the Note equals approximately the Market Interest Rate. If the Market Interest Rate decreases, the price of a Fixed Rate Note typically increases, until the yield of the Note equals approximately the Market Interest Rate.

Movements of the Market Interest Rate can adversely affect the price of the Notes and can lead to losses for Noteholders if they sell Notes during the period in which the Market Interest Rate exceeds the Fixed Rate of the Notes.

(v) Floating Rate Notes

Condition 6(c) of the Terms and Conditions of the Notes allows for Floating Rate Notes to be issued. Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three (3) months or six (6) months) which itself will change in accordance with general market conditions. Accordingly, the market value of Floating Rate Notes may be volatile if changes, particularly short term changes, to

market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate. These reference rates are not pre-defined for the lifespan of the Notes. Higher reference rates mean a higher interest under the Notes and lower reference rates mean a lower interest under the Notes. The degree to which the reference rates may vary is uncertain. The interest amount payable on any Interest Payment Date may be different from the amount payable on the initial or previous Interest Payment Date and may negatively impact the return under the Notes and result in a reduced market value of the Notes if a Noteholder were to dispose of its Notes.

Due to varying interest income on the Floating Rate Notes, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the Notes provide for frequent interest payment dates, investors are exposed to the reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing.

(vi) Reform and regulation of “benchmarks”

In accordance with the provisions of Condition 6(c) of the Terms and Conditions of the Notes, the Rate of Interest in respect of the Floating Rate Notes may be determined by reference to Reference Rates that constitute benchmarks for the purposes of the EU Regulation on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds (the “**Benchmark Regulation**”) which was published in the European official journal on 29 June 2016. Most of the provisions of the Benchmark Regulation have applied since 1 January 2018.

The Benchmark Regulation applies to “contributors”, “administrators” and “users” of “benchmarks” in the EU, and, among other things, (i) requires benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and to comply with extensive requirements in relation to the administration of “benchmarks” (or, if non EU based, to be subject to equivalent requirements) and (ii) prevents certain uses by EU supervised entities of “benchmarks” of administrators that are not authorised/registered (or, if non EU based, deemed equivalent or recognised or endorsed).

The Benchmark Regulation could have a material impact on any Notes linked to a rate or index deemed to be a “benchmark”, in particular if the methodology or other terms of the “benchmark” changed in order to comply with the terms of the Benchmark Regulation. Such changes could (amongst other things) have the effect of reducing or increasing the rate or level or affecting the volatility of the published rate or level of the benchmark. More broadly, any of the international, national or other proposals for reform or the general increased regulatory scrutiny of “benchmarks” could increase the costs and risks of administering or otherwise participating in the setting of a “benchmark” and complying with any such regulations or requirements.

Such factors may have the effect of discouraging market participants from continuing to administer or contribute to certain “benchmarks”, trigger changes in the rules or methodologies used in certain “benchmarks” or lead to the disappearance of certain “benchmarks”.

For example, on 27 July 2017, the UK Financial Conduct Authority announced that it will no longer persuade or compel banks to submit rates for the calculation of the LIBOR benchmark after 2021 (the “**FCA Announcement**”). Therefore, the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021. The elimination of the LIBOR benchmark or the potential elimination of any other benchmark, or changes in the manner of administration of any benchmark, may require an adjustment to the Terms and Conditions of the Notes, or result in other

consequences, in respect of any Notes linked to such benchmark (including but not limited to Floating Rate Notes whose interest rates are linked to LIBOR) depending on the specific provisions of the relevant terms and conditions applicable to the Notes. Any such consequences could have a material adverse effect on the liquidity and value of and return on any such Notes.

Other interbank offered rates such as EURIBOR (the European Interbank Offered Rate) (together with LIBOR, the “**IBORs**”) suffer from similar weaknesses to LIBOR and as a result may be discontinued or be subject to changes in their administration.

Changes to the administration of an IBOR or the emergence of alternatives to an IBOR, may cause such IBOR to perform differently than in the past, or there could be other consequences which cannot be predicted. The discontinuation of an IBOR or changes to its administration could require changes to the way in which the Rate of Interest is calculated in respect of any Notes referencing or linked to such IBOR. The development of alternatives to an IBOR may result in Notes linked to or referencing such IBOR performing differently than would otherwise have been the case if the alternatives to such IBOR had not developed. Any such consequence could have a material adverse effect on the value of, and return on, any Notes linked to or referencing such IBOR.

Whilst alternatives to certain IBORs for use in the bond market (including SONIA (for Sterling LIBOR) and rates that may be derived from SONIA) are being developed, in the absence of any legislative measures, outstanding notes linked to or referencing an IBOR will only transition away from such IBOR in accordance with their particular terms and conditions.

(vii) Floating Rate Notes – benchmark discontinuation

Where Screen Rate Determination is specified as the manner in which the Rate of Interest in respect of Floating Rate Notes is to be determined, and LIBOR, EURIBOR or another Reference Rate has been selected as the Reference Rate, the Terms and Conditions of the Notes provide that the Rate of Interest shall be determined by reference to the Relevant Screen Page (or its successor or replacement). In circumstances where the Original Reference Rate is discontinued, neither the Relevant Screen Page, nor any successor or replacement may be available.

Where the Relevant Screen Page is not available, and no successor or replacement for the Relevant Screen Page is available, the Terms and Conditions of the Notes provide for the Rate of Interest to be determined by the Calculation Agent by reference to quotations from banks communicated to the Calculation Agent.

Where such quotations are not available (as may be the case if the relevant banks are not submitting rates for the determination of such Original Reference Rate), the Rate of Interest may ultimately revert to the Rate of Interest applicable as at the last preceding Interest Determination Date before the Original Reference Rate was unavailable. Uncertainty as to the continuation of such Original Reference Rate, the availability of quotes from reference banks, and the rate that would be applicable if such Original Reference Rate is unavailable may adversely affect the value of, and return on, the Floating Rate Notes.

If a Benchmark Event (as defined in Condition 6(a)) (which, amongst other events, includes the permanent discontinuation of an Original Reference Rate) occurs, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser. The Independent Adviser shall endeavour to determine a Successor Rate or Alternative Rate to be used in place of the Original Reference Rate. The use of any such Successor Rate or Alternative Rate to determine the Rate of Interest will result in Notes linked to or referencing the Original Reference Rate performing differently (which may include payment of a lower Rate of Interest) than they would do if the Original Reference Rate were to continue to apply in its current form.

If a Successor Rate or Alternative Rate is determined by the Independent Adviser, the Terms and Conditions of the Notes also provide that an Adjustment Spread may be determined by the Independent Adviser and applied to such Successor Rate or Alternative Rate. The aim of the Adjustment Spread is to reduce or eliminate, to the extent reasonably practicable, any economic prejudice or benefit (as the case may be) to Noteholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate. However, it may not be possible to determine or apply an Adjustment Spread and even if an Adjustment Spread is applied, such Adjustment Spread may not be effective to reduce or eliminate economic prejudice to Noteholders and Couponholders. If no Adjustment Spread can be determined, a Successor Rate or Alternative Rate may nonetheless be used to determine the Rate of Interest. The use of any Successor Rate or Alternative Rate (including with the application of an Adjustment Spread) will still result in Notes linked to or referencing the Original Reference Rate performing differently (which may include payment of a lower Rate of Interest) than they would if the Original Reference Rate were to continue to apply in its current form.

The Issuer may be unable to appoint an Independent Adviser or the Independent Adviser may not be able to determine a Successor Rate or Alternative Rate in accordance with the Terms and Conditions of the Notes.

Where the Issuer is unable to appoint an Independent Adviser in a timely manner, or the Independent Adviser is unable, to determine a Successor Rate or Alternative Rate before the next Interest Determination Date, the Rate of Interest for the next succeeding Interest Period will be the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event, or, where the Benchmark Event occurs before the first Interest Determination Date, the Rate of Interest will be the initial Rate of Interest.

Applying the initial Rate of Interest, or the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event will result in Notes linked to or referencing the relevant benchmark performing differently (which may include payment of a lower Rate of Interest) than they would do if the relevant benchmark were to continue to apply, or if a Successor Rate or Alternative Rate could be determined.

If the Issuer is unable to appoint an Independent Adviser or, the Independent Adviser fails to determine a Successor Rate or Alternative Rate for the life of the relevant Notes, the initial Rate of Interest, or the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event, will continue to apply to maturity. This will result in the Floating Rate Notes, in effect, becoming fixed rate Notes.

Where ISDA Determination is specified as the manner in which the Rate of Interest in respect of Floating Rate Notes is to be determined, the Terms and Conditions of the Notes provide that the Rate of Interest in respect of the Notes shall be determined by reference to the relevant Floating Rate Option in the 2006 ISDA Definitions. Where the Floating Rate Option specified is a "LIBOR" Floating Rate Option or a "EURIBOR" Floating Rate Option, the Rate of Interest may be determined by reference to the relevant screen rate or the rate determined on the basis of quotations from certain banks. If LIBOR or EURIBOR is permanently discontinued and the relevant screen rate or quotations from banks (as applicable) are not available, the operation of these provisions may lead to uncertainty as to the Rate of Interest that would be applicable, and may, adversely affect the value of, and return on, the Floating Rate Notes.

Where FBF Determination is specified as the manner in which the Rate of Interest in respect of Floating Rate Notes is to be determined, the Terms and Conditions of the Notes provide that the Rate of Interest in respect of the Notes shall be determined by reference to the relevant Floating

Rate in the FBF Definitions. Where the Floating Rate specified is a “LIBOR” Floating Rate or a “EURIBOR” Floating Rate, the Rate of Interest may be determined by reference to the relevant screen rate or the rate determined on the basis of quotations from certain banks. If LIBOR or EURIBOR is permanently discontinued and the relevant screen rate or quotations from banks (as applicable) are not available, the operation of these provisions may lead to uncertainty as to the Rate of Interest that would be applicable, and may, adversely affect the value of, and return on, the Floating Rate Notes.

(viii) Fixed/Floating Rate Notes

Condition 6(d) of the Terms and Conditions of the Notes allows for Fixed/Floating Rate Notes to be issued. The Fixed/Floating Rate Notes bear interest at a rate that, automatically or upon decision of the Issuer at a date specified in the Final Terms, can be converted from a fixed rate to a floating rate or from a floating rate to a fixed rate. The (automatic or optional) conversion may affect the secondary market and the market value of the Notes as it can lead to a reduction of the total borrowing costs. If a fixed rate is converted into a floating rate, the rate spread between the fixed rate and the floating rate may be less in favour than the rate spreads on comparable Floating Rate Notes that have the same reference rate. In addition, the new floating rate may be, at any time, lower than the interest rates of other Notes. If a floating rate is converted into a fixed rate, the fixed rate may be lower than the rates applicable to these Notes and any such volatility may have an adverse effect on the market value of the Notes.

(ix) Zero Coupon Notes and other Notes issued at a substantial discount or premium

Condition 6(e) of the Terms and Conditions of the Notes allows for Zero Coupon Notes to be issued. The market values of the Zero Coupon Notes, as well as other securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities. Therefore, in similar market conditions the holders of Zero Coupon Notes, as well as other securities issued at a substantial discount or premium from their principal amount, could be subject to higher losses on their investments than the holders of other instruments such as Fixed Rate Notes or Floating Rate notes. Any such volatility may have an adverse effect on the market value of the Notes.

4. Risks relating to the Guarantee

The Guarantee is in the form of a *cautionnement solidaire* and not a *garantie autonome à première demande* (an autonomous first demand guarantee) and is accordingly subject to certain limitations on enforcement and may be limited by applicable laws and/or subject to certain defences that may limit its validity and enforceability.

In addition, the Guarantee will apply to any Notes, (i) only if and to the extent that, the proceeds of the issue of such Notes are, directly or indirectly, on-lent or otherwise made available to the Guarantor and (ii) at any time (including at the time any claim under the Guarantee can be validly made pursuant to its terms), only up to the amount (if any) that remain owing by the Guarantor to the Issuer pursuant to the relevant on-loan or other availability arrangements. Consequently, Noteholders may not know the precise amount covered by the Guarantee upon issuance of the Notes. Finally, any amount due by the Issuer under the Notes and Coupons, which will eventually be paid by the Guarantor to any Noteholder will reduce the aggregate amount covered by the Guarantee and the remaining amount may not cover additional amounts called by other

Noteholders pursuant to the terms of the Guarantee. Please refer to the section “Form of Guarantee of M.A.J.” on pages 85 to 90 of this Base Prospectus notably as regards the Guarantee limitations.

Consequently, the Noteholders may not be able to recover amounts due to them by the Issuer through the exercise of the Guarantee and the Guarantee limitations referred to above could negatively impact the Noteholders and cause them to lose all or part of their investment.

SUPPLEMENT TO THE BASE PROSPECTUS

If at any time the Issuer or the Guarantor shall be required to prepare a supplement to this Base Prospectus pursuant to the provisions of Article 23 of the Prospectus Regulation following the occurrence of a new factor, a material mistake or material inaccuracy relating to the information included or incorporated by reference in this Base Prospectus (including the "**Terms and Conditions of the Notes**") which may affect the assessment of any Notes whose inclusion would reasonably be required by investors and their professional advisers, the Issuer or the Guarantor will prepare and make available an appropriate supplement to this Base Prospectus or a restated Base Prospectus, which, in respect of any subsequent issue of Notes to be admitted to trading on Euronext Paris or on a Regulated Market, shall constitute a supplement to the Base Prospectus for the purpose of Article 23 of the Prospectus Regulation and, as such, will be submitted to the AMF for the purposes of obtaining its approval thereon.

TEMPORARY GLOBAL CERTIFICATES ISSUED IN RESPECT OF MATERIALISED BEARER NOTES

Temporary Global Certificates

A Temporary Global Certificate, without interest Coupons, will initially be issued in connection with Materialised Bearer Notes. Upon the initial deposit of such Temporary Global Certificate with a common depository for Euroclear and Clearstream (the "**Common Depository**"), Euroclear or Clearstream will credit the accounts of each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depository may also credit with a nominal amount of Notes the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream held by such other clearing systems. Conversely, a nominal amount of Notes that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Bearer Notes will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicate that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable, in whole, but not in part, for the Definitive Materialised Bearer Notes; and
- (ii) otherwise, for Definitive Materialised Bearer Notes upon certification in the form set out in the Amended and Restated Agency Agreement as to non-U.S. beneficial ownership.

A Noteholder must exchange its share of the Temporary Global Certificate for definitive Materialised Bearer Notes before interest or any amount payable in respect of the Notes will be paid.

Delivery of Definitive Materialised Bearer Notes

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to or to the order of the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Bearer Notes.

In this Base Prospectus, "**Definitive Materialised Bearer Notes**" means, in relation to any Temporary Global Certificate, the Definitive Materialised Bearer Notes for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons in respect of interest that have not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Bearer Notes will be security printed in accordance with any applicable legal and Regulated Market or stock exchange requirements in, or substantially in, the form set out in the Schedules to the Amended and Restated Agency Agreement.

Exchange Date

"Exchange Date" means, in relation to a Temporary Global Certificate, the day falling after the expiry of 40 calendar days after its issue date, provided that, in the event any further Materialised Bearer Notes are issued prior to such day pursuant to Condition 15(a), the Exchange Date for such Temporary Global Certificate may be postponed to the calendar day falling after the expiry of 40 calendar days after the issue of such further Materialised Bearer Notes.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of the relevant Final Terms and excepting sentences in italics, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Definitive Materialised Bearer Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

An amended and restated agency agreement (as amended or supplemented from time to time, the “**Amended and Restated Agency Agreement**”) dated 29 April 2020 has been agreed between Elis (the “**Issuer**”), M.A.J (the “**Guarantor**”), CACEIS Corporate Trust as fiscal agent and the other agents named in it in relation to the Programme.

The fiscal agent, the paying agents, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Registration Agent**”, the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”.

The holders of Dematerialised Notes and Materialised Notes, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Materialised Notes and, where applicable in the case of such Notes, talons (the “**Talons**”) for further Coupons (the “**Couponholders**”) are deemed to have notice of all of the provisions of the Amended and Restated Agency Agreement.

For the purpose of these Terms and Conditions:

- “**day**” means a calendar day;
- “**Regulated Market**” means any regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in the Markets in Financial Instruments Directive 2014/65/EU, as amended.

References below to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below.

1. **FORM, DENOMINATION(S), TITLE AND REDENOMINATION OF THE NOTES**

- (a) **Form of Notes:** Notes may be issued by the Issuer either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”).
 - (i) Dematerialised Notes are issued, as specified in the relevant Final Terms (the “**Final Terms**”), in (x) bearer dematerialised form (*au porteur*) only, in which case they are inscribed in the books of Euroclear France (acting as central depository) which shall credit the accounts of Euroclear France Account Holders (as defined

below), or (y) registered dematerialised form (*au nominatif*) only and, in such case, at the option of the relevant Noteholder, in administered registered dematerialised form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Euroclear France Account Holders designated by the relevant Noteholders or in fully registered dematerialised form (*au nominatif pur*) inscribed in an account in the books of Euroclear France maintained by the Registration Agent acting on behalf of the Issuer.

Unless this possibility is expressly excluded in the relevant Final Terms, according to Article L. 228-2 of the French *Code de commerce*, the Issuer may at any time request from the central depository identification information of holders of Dematerialised Notes in bearer form (*au porteur*) such as the name or the company name, nationality, date of birth or year of incorporation and mail address or, as the case may be, email address of such holders.

For the purpose of these Conditions, “**Euroclear France Account Holder**” means any financial intermediary institution entitled to hold directly or indirectly accounts on behalf of its customers with Euroclear France, and includes the depository bank for Clearstream Banking SA (“**Clearstream**”) and Euroclear Bank SA/NV (“**Euroclear**”).

- (ii) Materialised Notes are issued in bearer form (“**Materialised Bearer Notes**”). Materialised Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

In accordance with Article L. 211-3 of the French *Code monétaire et financier*, securities (such as the Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

- (b) **Denomination(s)**: Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms save that the minimum denomination of each Note admitted to trading on a Regulated Market will be €100,000, and if the Notes are denominated in a currency other than euro, the equivalent amount in each such currency at the issue date (the “**Specified Denomination(s)**”) or such higher amount in such currency as may be allowed or required from time to time by the relevant monetary or financial authority or any applicable laws or regulations. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

- (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 *et seq.* and R.211-1 of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of the Dematerialised Notes. Title to Dematerialised Notes issued in bearer form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of

Euroclear France Account Holders. Title to Dematerialised Notes issued in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Issuer or the Registration Agent.

- (ii) Title to Materialised Bearer Notes in definitive form having, where appropriate, Coupons and/or a Talon attached thereto on issue ("**Definitive Materialised Bearer Notes**"), shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note (as defined below), Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, "**holder of Notes**" or "**holder of any Note**" or "**Noteholder**" means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Euroclear France Account Holder or the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes; (ii) in the case of Definitive Materialised Notes, the bearer of any Definitive Materialised Bearer Note and the Coupons, or Talon relating to it, and (iii) in the case of Materialised Notes in respect of which a Temporary Global Certificate has been issued and is outstanding, each person (other than a clearing institution) who appears as a holder of such Notes or of a particular nominal amount of interests in such Notes, in accordance with the applicable laws and regulations and with the applicable rules and procedures of any relevant clearing institution including, without limitation, Euroclear France, Euroclear or Clearstream, as appropriate; and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) Redenomination

- (i) The Issuer may (if so specified in the relevant Final Terms), on any date, without the consent of the holder of any Note, Coupon or Talon, by giving at least thirty (30) days' notice in accordance with Condition 16 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community, as amended from time to time (the "**Treaty**")) or events have occurred which have substantially the same effects (in either case, "**EMU**"), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the "**Redenomination Date**".
- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate

established by the Council of the European Union pursuant to Article 123 (4) of the Treaty] and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 16. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.

- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 15, without the consent of the holder of any Note, Coupon or Talon, make any changes or additions to these Conditions or Condition 15 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the relevant Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 16 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

(e) Method of issue

The Notes will be issued in series (each a “**Series**”) having one or more issue dates and on terms otherwise identical (or identical other than in respect of the first payment of interest), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in tranches (each a “**Tranche**”) on the same or different issue dates. The specific terms of each Tranche (which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be set out in the relevant Final Terms.

2. CONVERSION AND EXCHANGES OF NOTES

(a) Dematerialised Notes

- (i) Dematerialised Notes issued in bearer dematerialised form (*au porteur*) may not be converted into Dematerialised Notes in registered dematerialised form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes initially issued in registered form (*au nominatif*) only may not be converted into Dematerialised Notes in bearer dematerialised form (*au porteur*).

Any such conversion shall be effected at the cost of such Noteholder.

The Guarantor unconditionally and irrevocably guarantees the due payment of all sums expressed to be due and payable by the Issuer under the Notes and Coupons issued by it and in accordance with the terms and conditions and subject to the guarantee limitations set out in the Guarantee. The obligations of the Guarantor in this respect arise pursuant to the guarantee agreement set out in the section entitled “*Form of Guarantee of M.A.J.*” of this Base Prospectus.

6. INTEREST AND OTHER CALCULATIONS

- (a) **Definitions:** In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below. Certain defined terms contained in the June 2013 FBF Master Agreement relating to transactions on forward financial instruments as supplemented by the Technical Schedules (*Additifs Techniques*) published by the *Fédération Bancaire Française* (“**FBF**”) (together the “**FBF Master Agreement**”) and in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. (“**ISDA**”), have either been used or reproduced in this Condition 6:

“**Adjustment Spread**” means either a spread (which may be positive or negative), or the formula or the methodology for calculating a spread, in either case, which the Independent Adviser determines and which is required to be applied to the Successor Rate or the Alternative Rate, as the case may be, to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit, as the case may be, to Noteholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate, as the case may be, and is the spread, formula or methodology which:

- (a) in the case of a Successor Rate, is formally recommended or formally provided as an option for parties to adopt in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (b) if no recommendation required under (i) above has been made or in the case of an Alternative Rate, the Independent Adviser determines and which is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate, as the case may be; or
- (c) if the Independent Adviser determines that no such industry standard is recognised or acknowledged, the spread, formula or methodology which the Independent Adviser determines to be appropriate.

“**Alternative Rate**” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 6(c)(iii)(D)(b) and which is customary in market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for a determined interest period in the same Specified Currency as the Notes.

administrator has been appointed that will continue publication of the Original Reference Rate); or

- (c) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will, by a specified date within the following six months, be permanently or indefinitely discontinued; or
- (d) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or that its use will be subject to restrictions which would not allow its further use in respect of the Notes, in each case within the following six months; or
- (e) it has become unlawful for any Paying Agent, Calculation Agent, any other party responsible for determining the Rate of Interest or the Issuer to calculate any payments due to be made to any Noteholder or Couponholder using the Original Reference Rate.

For the avoidance of doubt, in respect of paragraphs (b), (c) and (d) above, such public statement will not constitute a Benchmark Event before the date falling six months prior the date specified in the relevant public announcement on which the Original Reference Rate is permanently or indefinitely discontinued or prohibited.

“Business Day” means:

- (i) if **“Actual/365 — FBF”** is specified in the relevant Final Terms, the fraction whose numerator is the actual number of days elapsed during the Calculation Period and whose denominator is 365. If part of that Calculation Period falls in a leap year, Actual /365 — FBF shall mean the sum of (i) the fraction whose numerator is the

actual number of days elapsed during the non-leap year and whose denominator is 365 and (ii) the fraction whose numerator is the number of actual days elapsed during the leap year and whose denominator is 366;

(ii) if “**Actual/365**” or “**Actual/Actual – ISDA**” is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);

(iii) if “**Actual/Actual-ICMA**” is specified in the relevant Final Terms:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + [(D_2 - D_1)]}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₂**” is the day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vii) if “**30E/360**” or “**Eurobond Basis**” is specified in the relevant Final Terms, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + [(D_2 - D_1)]}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

(A) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “**FBF Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Transaction under the terms of an agreement incorporating the FBF Definitions and under which:

For the purposes of this sub-paragraph (B), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

(C) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- I. the offered quotation; or
- II. the arithmetic mean of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the relevant Final Terms as being other than LIBOR or

EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the relevant Final Terms.

- III. if the Relevant Screen Page is not available or, if sub-paragraph 6(c)(iii)(C)I applies and no such offered quotation appears on the Relevant Screen Page, or, if sub-paragraph 6(c)(iii)(C)II applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- IV. if paragraph (III) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is

LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(D) Benchmark Event

If a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate and Screen Rate Determination applies, then the following provisions shall apply and shall prevail over other fallbacks specified in Condition 6(c)(iii)(C).

(a) Independent Adviser

The Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 6(c)(iii)(D)(b)) and, in either case, an Adjustment Spread if any (in accordance with Condition 6(c)(iii)(D)(c)) and any Benchmark Amendments (in accordance with Condition 6(c)(iii)(D)(d)).

An Independent Adviser appointed pursuant to this Condition 6(c)(iii)(D)(a) shall act in good faith in a commercially reasonable manner as an independent expert. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Paying Agents, or any other party responsible for determining the Rate of Interest specified in the applicable Final Terms or the Noteholders or the Couponholders for any determination made by it, pursuant to this Condition 6(c)(iii)(D)(a).

(b) Successor Rate or Alternative Rate

If the Independent Adviser, determines in good faith that:

- (i) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 6(c)(iii)(D)(c)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate of Interest (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 6(c)(iii)(D));
- or

(ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 6(c)(iii)(D)(c)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate of Interest (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 6(c)(iii)(D)).

(c) Adjustment Spread

If the Independent Adviser, determines in good faith (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(d) Benchmark Amendments

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 6(c)(iii)(D) and the Independent Adviser, determines in good faith (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 6(c)(iii)(D)(e), without any requirement for the consent or approval of Noteholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

For the avoidance of doubt, and in connection with any such variation in accordance with this Condition 6(c)(iii)(D)(d), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being admitted to trading.

(e) Notices

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 6(c)(iii)(D) will be notified promptly by the Issuer, after receiving such information from the Independent Adviser, to the Fiscal Agent, the Calculation Agent, the Paying Agents, the Representative of the Masse and, in accordance with Condition 16, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

The Issuer shall deliver to the Fiscal Agent a certificate signed by one authorised signatory of the Issuer:

- (i) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate and, (iii) where applicable, any Adjustment Spread and/or the specific terms of any Benchmark Amendments as determined by the Independent Adviser in accordance with the provisions of this Condition 6(c)(iii)(D); and
- (ii) certifying that the Independent Adviser has confirmed that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread.

The Fiscal Agent shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Fiscal Agent's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Fiscal Agent, the Calculation Agent, the Paying Agent and the Noteholders or Couponholders.

(f) Survival of Original Reference Rate

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 6(c)(iii)(D)(a) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. For the sake of clarity, where, in accordance with the relevant Final Terms, a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, and notwithstanding the fact that the Rate of Interest shall remain the one determined in respect of the immediately preceding Interest Period as indicated above, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period. For the avoidance of doubt, this Condition 6(c)(iii)(D)(a) shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 6(c)(iii)(D)(a).

Without prejudice to the obligations of the Issuer under Condition 6(c)(iii)(D) (a), (b), (c) and (d), the Original Reference Rate and the fallback provisions provided for in Condition 6(c)(iii)(C) will continue to apply unless and until a Benchmark Event has occurred.

(g) New Benchmark Event in respect of the Successor Rate or Alternative Rate

If Benchmark Amendments have been implemented pursuant to this Condition 6(c)(iii)(D) and a new Benchmark Event occurs in respect of the then applicable Successor Rate or Alternative Rate, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser and ensure that the provisions of this Condition 6(c)(iii)(D) shall apply as if the Successor Rate or Alternative Rate were the Original Reference Rate.

- (d) **Fixed/Floating Rate Notes:** Fixed/Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate or from a Floating Rate to a Fixed Rate on the date set out in the Final Terms.
- (e) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon and is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(f)(i)).
- (f) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.
- (g) **Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding:**
- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be. Unless a higher Minimum Rate of Interest is provided in the relevant Final Terms, the Minimum Rate of Interest (which, for the avoidance of doubt, includes any applicable Margin) shall be deemed to be 0.00 per cent.

- (iii) For the purposes of any calculations required pursuant to these Conditions, (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (h) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in the relevant Final Terms in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (i) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts and Early Redemption Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount or Early Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount or any Early Redemption Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.
- (j) **Calculation Agent:** The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in Condition 5.1). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank,

then the Issuer shall appoint another Reference Bank engaged in the interbank market to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, that Regulated Market so require, notice of any change of Calculation Agent shall be given in accordance with Condition 16.

7. REDEMPTION, PURCHASE AND OPTIONS

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount).
- (b) **Redemption at the Option of the Issuer:** If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 16 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem all, but not some only, of the Notes on any Optional Redemption Date (as specified in the relevant Final Terms). Any such redemption of Notes shall be at their Optional Redemption Amount (as specified in the relevant Final Terms) together with interest accrued to the date fixed for redemption (including, where applicable, any arrears of interest), if any.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

- (c) **Make-Whole Redemption by the Issuer:** If a Make-Whole Redemption by the Issuer is specified in the relevant Final Terms, in respect of any issue of Notes, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 16 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem the Notes, in whole or in part, at any time prior to their Maturity Date or, if a Residual Maturity Call Option is specified in the applicable Final Terms, prior to their Call Option Date (as specified in the relevant Final Terms) (the "**Optional Redemption Date**") at their Optional Redemption Amount (as defined below).

"Optional Redemption Amount" means in respect of any Notes to be redeemed pursuant to this Condition 7(c) an amount, calculated by the Calculation Agent equal to the greater of:

(x) 100 per cent. of the nominal amount of the Notes so redeemed and,

(y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes until the Maturity Date or, if a Residual Maturity Call Option is specified in the applicable Final Terms, until the Call Option Date (not including any interest accrued on the Notes to, but excluding, the relevant Optional Redemption Date) discounted to the relevant Optional Redemption Date on an annual basis at the Redemption Rate plus a Redemption Margin (as specified in the relevant Final Terms),

plus in each case (x) or (y) above, any interest accrued on the Notes to, but excluding, the Optional Redemption Date.

"Redemption Rate" means the average of the four quotations given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Bond (as specified in the relevant Final Terms) on the third (3rd) business day preceding the Optional Redemption Date at 11.00 a.m. (Central European time (CET)).

"Reference Dealers" means each of the four banks selected by the Calculation Agent which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues or as specified in the relevant Final Terms.

If the Reference Bond is no longer outstanding, a Similar Security (as specified in the relevant Final Terms) will be chosen by the Calculation Agent at 11.00 a.m. (Central European time (CET)) on the third (3rd) business day in Paris preceding the Optional Redemption Date, quoted in writing by the Calculation Agent to the Issuer and notified in accordance with Condition 16.

The Redemption Rate will be notified by the Issuer in accordance with Condition 16.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

In the case of a partial redemption, in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the number of the Definitive Materialised Notes to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances and taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market or other stock exchange requirements on which the Notes are admitted to trading.

In the case of a partial redemption in respect of, Dematerialised Notes, the redemption will be effected by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed, subject to compliance with any applicable laws and Regulated Market or other stock exchange requirements on which the Notes are admitted to trading.

Any notice given by the Issuer pursuant to this Condition 7(c) shall be deemed void and of no effect in relation to any Note in the event that, prior to the giving of such notice by the Issuer, the relevant Noteholder had already delivered an Exercise Notice in relation to such Note in accordance with Condition 7(d) below.

- (d) **Residual Maturity Call Option:** If a Residual Maturity Call Option is specified in the applicable Final Terms, the Issuer may, on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 16 to the Noteholders, at any time as from the Call Option Date (as specified in the relevant Final Terms) which shall be no earlier than three (3) months before the Maturity Date, until the Maturity Date, redeem the Notes, in whole but not in part, at par together with interest accrued to, but excluding, the date fixed for redemption.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

- (e) **Redemption at the Option of Noteholders:** If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) (as specified in the relevant Final Terms) at its Optional Redemption Amount (as specified in the relevant Final Terms) together with interest accrued to the date fixed for redemption including, where applicable, any arrears of interest.

To exercise such option the Noteholder must deposit with any Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained from any Paying Agent, within the notice period. In the case of Materialised Bearer Notes, the Exercise Notice shall have attached to it such Notes (together with all unmatured Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Fiscal Agent or the Paris Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn without the prior consent of the Issuer.

- (f) **Early Redemption:**

- (i) Zero Coupon Notes:

(A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Condition 7(g) or Condition 7(k) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Nominal Amount (calculated as provided below) of such Note.

(B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue

price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.

- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 7(g) or Condition 7(k) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 6(e). Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.
- (ii) Other Notes: The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 7(g) or Condition 7(k), or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any arrears of interest).

(g) Redemption for Taxation Reasons

- (i) If, by reason of any change in, or any change in the official application or interpretation of, French law becoming effective after the Issue Date, the Issuer or, as the case may be, the Guarantor (in respect of the Guarantee), would on the occasion of the next payment of principal or interest due in respect of the Notes or Coupons (assuming, in the case of the Guarantee, that a payment thereunder were required to be made on any such date) or, where applicable (if it were called) under the Guarantee, not be able to make such payment without having to pay Additional Amounts as specified and defined under Condition 9 below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 16, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any arrears of interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer or the Guarantor, as the case may be, could make payment of principal and interest without withholding or deduction for such taxes.

- (ii) If the Issuer or, as the case may be, the Guarantor (in respect of the Guarantee) would on the next payment of principal or interest in respect of the Notes or Coupons (assuming, in the case of the Guarantee, that a payment thereunder were required to be made on any such date) be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay Additional Amounts contained in Condition 9 below, then the Issuer or the Guarantor, as the case may be, shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Noteholders in accordance with Condition 16, redeem all, but not some only, of the Notes then outstanding at their Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any arrears of interest) on the latest practicable Interest Payment Date on which the Issuer or the Guarantor, as the case may be, could make payment of the full amount then due and payable in respect of the Notes or, if applicable, Coupons, or, if that date is passed, as soon as practicable thereafter.
- (h) **Purchases:** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price subject to the applicable laws and regulations. Unless the possibility of holding and reselling is expressly excluded in the relevant Final Terms, all Notes so purchased by the Issuer may be held and resold in accordance with Article L.213-0-1 of the French *Code monétaire et financier*.
- (i) **Clean-Up Call Option:** If a Clean-up Call Option is specified in the relevant Final Terms in the event that at least 80 percent of the initial aggregate nominal amount of Notes of the same Series (including any further Notes issued pursuant to Condition 15) or any other percentage higher than 80 percent as specified in the relevant Final Terms (the "**Clean-Up Percentage**") has been redeemed or purchased by, or on behalf of, the Issuer and cancelled, the Issuer may, on giving not less than fifteen (15) nor more than thirty (30) days irrevocable notice in accordance with Condition 16 to the Noteholders redeem the Notes, in whole but not in part, at the Early Redemption Amount (as specified in the relevant Final Terms) together with interest accrued to, but excluding, the date fixed for redemption.
- (j) **Cancellation:** All Notes purchased for cancellation by or on behalf of the Issuer will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, by surrendering the Temporary Global Certificate and the Definitive Materialised Bearer Notes in question together with all unmatured Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer and (where applicable) the Guarantor in respect of any such Notes shall be discharged.

So long as the Notes are admitted to trading on Euronext Paris and the rules of that stock exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in accordance with Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the *Autorité des marchés financiers* (the “**AMF**”) and on the website of any other competent authority and/or Regulated Market of the EEA Member State where the Notes are admitted to trading, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

(k) Illegality: If, by reason of any change in, or any change in the official application of French law becoming effective after the Issue Date, it will become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than forty-five (45) nor less than thirty (30) days’ notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 16, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any arrears of interest).

(l) Redemption or repurchase at the option of the Noteholders in case of Change of Control:

If a Change of Control occurs, each Noteholder will have the option to require the Issuer to redeem, or procure purchase for, all or part of the Notes held by such Noteholder on the Put Date (as defined below) at their principal amount together with interest accrued up to but excluding such date of redemption or repurchase. Such option (the “**Put Option in case of Change of Control**”) shall operate as set out below.

Promptly upon the Issuer becoming aware that a Change of Control has occurred the Issuer shall give notice (a “**Change of Control Notice**”) to the Noteholders in accordance with Condition 16 specifying the nature of the Change of Control, the circumstances giving rise to the Change of Control and the procedure for exercising the option contained in this Condition.

To exercise the Put Option in case of Change of Control to require redemption or repurchase of the Notes, any Noteholder must transfer or cause to be transferred the Notes to be so redeemed or repurchased to the account of any Paying Agent and deliver to the Issuer a duly completed redemption or repurchase notice in writing (a “**Change of Control Put Notice**”), in which such Noteholder will specify a bank account to which payment is to be made under this paragraph, within the period (the “**Put Period**”) of sixty (60) days after a Change of Control Notice is given (except where (i) the Noteholder gives the Issuer written notice of the occurrence of a Change of Control of which it is aware and (ii) the Issuer fails to give a Change of Control Notice to the Noteholders by close of business of the third (3rd) Business Day after the receipt of such notice from the Noteholder, in which case the Put Period will start from such third (3rd) Business Day and will end on the day falling sixty (60) days thereafter).

A Change of Control Put Notice once given shall be irrevocable. The Issuer shall redeem, or procure purchase for, the Notes in respect of which the Put Option in case of Change of Control has been validly exercised as provided above and subject to the transfer of the Notes, on the date which is the fifth (5th) Business Day following the end of the Put Period

(the “**Put Date**”). Payment in respect of such Notes will be made by transfer to the bank account specified in the Change of Control Put Notice.

For the purpose of this Condition, “**Change of Control**” means any individual or legal entity acting alone or several individuals or legal entities acting in concert, acquires the control of the Issuer, it being specified that the notion of “**control**” shall mean the fact of holding (directly or indirectly through the intermediary of companies themselves controlled by the individuals or legal entities concerned) (x) the majority of the voting rights attached to the shares or (y) more than 40 per cent. of such voting rights if no other shareholder of the Issuer, acting alone or in concert, holds (directly or indirectly through the intermediary of companies controlled by this or these shareholders) a greater percentage of voting rights than the percentage held.

8. PAYMENTS AND TALONS

- (a) **Dematerialised Notes:** Payments of principal and interest (including, for the avoidance of doubt, any arrears of interest, where applicable) in respect of Dematerialised Notes (including under the Guarantee) shall (in the case of Dematerialised Notes issued in bearer form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Euroclear France Account Holders for the benefit of the Noteholders or (in the case of Dematerialised Notes issued in fully registered form) to an account denominated in the relevant currency with a Bank (as defined below) designated by the Noteholders. All payments validly made to such Euroclear France Account Holders will be an effective discharge of the Issuer in respect of such payments.
- (b) **Materialised Bearer Notes:** Payments of principal and interest (including, for the avoidance of doubt, any arrears of interest, where applicable) in respect of Materialised Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Materialised Bearer Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 8(f)(v)) or Coupons (in the case of interest, save as specified in Condition 8(f)(v)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank. No payments in respect of Materialised Bearer Notes (including under the Guarantee) shall be made by transfer to an account in, or mailed to an address in, the United States.

“**Bank**” means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Bearer Notes are denominated in U.S. Dollars, payments in respect thereof (including under the Guarantee) may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by U.S. law, without

involving, in the opinion of the Issuer and/or, as applicable, the Guarantor, any adverse tax consequence to the Issuer and/or, as applicable, the Guarantor.

- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 9 or paragraph 7(c) of the Guarantee, as the case may be. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Registration Agent, the Redenomination Agent and the Consolidation Agent initially appointed under the Amended and Restated Agency Agreement and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registration Agent, the Redenomination Agent and the Consolidation Agent act solely as agents of each Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Registration Agent, the Redenomination Agent and the Consolidation Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) in the case of Dematerialised Notes in fully registered form a Registration Agent, (v) Paying Agents having specified offices in one major European city and (vi) such other agents as may be required by the rules of any other stock exchange on which the Notes may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Bearer Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 15, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 16.

- (f) **Unmatured Coupons and unexchanged Talons:**
- (i) Unless Materialised Bearer Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (together, where applicable, with the amount of any arrears of interest corresponding to such Coupon) (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon (together, where applicable, with the amount of any arrears of interest corresponding to such

Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten (10) years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 11).

- (ii) If Materialised Bearer Notes so provide, upon the due date for redemption of any such Materialised Bearer Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Materialised Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
 - (iv) Where any Materialised Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any such Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (v) If the due date for redemption of any Materialised Bearer Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any arrears of interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Bearer Note. Interest accrued on a Materialised Bearer Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Bearer Notes.
- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).
- (h) **Non-Business Days:** If any date for payment in respect of any Note or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as “**Financial Centres**” in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on

in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in euro, which is a TARGET Business Day.

9. TAXATION

- (a) **Withholding tax:** All payments of principal or interest and other assimilated revenues by or on behalf of the Issuer (or, as applicable, the Guarantor, with regard to the Guarantee) in respect of the Notes or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by any jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **Additional amounts:** If French law should require that payments of principal or interest and other assimilated revenues made by the Issuer in respect of any Note or Coupon or payments made by the Guarantor under the Guarantee be subject to withholding or deduction in respect of any present or future taxes, duties, assessments or governmental charges of whatever nature, the Issuer or the Guarantor, will, to the fullest extent then permitted by law, pay such additional amounts (“**Additional Amounts**”) as shall result in receipt by the Noteholders or, if applicable, the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such Additional Amounts shall be payable with respect to any Note or Coupon, as the case may be:
- (i) **Other connection:** to, or to a third party on behalf of, a Noteholder or Couponholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note or Coupon;
 - (ii) **Presentation more than thirty (30) days after the Relevant Date:** in respect of Materialised Notes, more than thirty (30) days after the Relevant Date except to the extent that the Noteholder or Couponholder would have been entitled to such Additional Amounts on presenting it for payment on the thirtieth (30th) such day; or
 - (iii) Where such withholding or deduction is imposed as part of France’s implementation of an intergovernmental treaty implementing Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended.

As used in these Conditions, “**Relevant Date**” in respect of any Note or Coupon means the date on which payment in respect of it first becomes due (and, for the avoidance of doubt, in the case of arrears of interest, references to “**becomes due**” shall be interpreted in accordance with the provisions of Condition 6(g)) or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, in the case of Materialised Notes (if earlier) the date seven (7) days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional

Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 7 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts (including, for the avoidance of doubt, all arrears of interest) payable pursuant to Condition 6 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any Additional Amounts that may be payable under this Condition.

10. EVENTS OF DEFAULT

Any Noteholder may, by written notice sent to the Issuer, with a copy to the Fiscal Agent, require that all the Notes held by such Noteholder be redeemed at a price equal to par, if any of the following events (each, an “**Event of Default**”) occurs:

- (i) default by the Issuer in payment of any amount, when due, on any Note (including the payment of any Additional Amounts pursuant to the provisions set forth under Condition 9 above), or default by the Guarantor in any payment when due under the Guarantee and the continuance of any such default for a period of twenty (20) days starting from the date on which payment is due; or
- (ii) default by the Issuer in the due performance of any other provision of the Notes or default by the Guarantor in the due performance of any provision of the Guarantee, if such default shall not have been cured within thirty (30) days after receipt by the Issuer or the Guarantor, as the case may be, of the written notice of default given to the Fiscal Agent by the Noteholder; or
- (iii) (i) default in payment with respect to any present or future indebtedness for borrowed monies of the Issuer or any of its Material Subsidiaries, in excess, individually or in aggregate, of seventy-five (75) million euro (or its equivalent in any other currency) once this indebtedness is due and payable, within any applicable grace period as the case may be; or

(ii) any indebtedness for borrowed monies, present or future, of the Issuer or any of its Material Subsidiaries in excess, individually or in aggregate, of seventy-five (75) million euro (or its equivalent in any other currency) is declared due and payable or shall become due and payable as a result of a default; or

(iii) default in payment of an amount in excess, individually or in aggregate, of seventy-five (75) million euro with respect to any security interest granted by the Issuer or by any of its Material Subsidiaries, in guarantee of an indebtedness for borrowed monies, when this amount is due and payable with respect to this guarantee; or
- (iv) if the Issuer or one of its Material Subsidiaries, as part of a preventive or collective insolvency proceeding, (i) enters into a mutual agreement with its creditors (*accord amiable*), (ii) is subject to a judgment rendered for its judicial liquidation (*liquidation judiciaire*), (iii) a judgment is rendered for a transfer of the whole business of the Issuer or one of its Material Subsidiaries, or (iv) to the extent permitted by law, is subject to any analogous preventive or collective insolvency proceeding under any applicable law; or

- (v) dissolution, liquidation, merger, scission or absorption of the Issuer or the Guarantor or if the Issuer or the Guarantor ceases or announces to cease to carry on the whole of its business or substantially the whole of its business, except (i) in case of a dissolution, liquidation, merger, scission or absorption, at the end of which the whole or substantially the whole of the Issuer's or the Guarantor's business and all the Issuer's or the Guarantor's undertakings with respect to the Notes, are transferred and assumed by any other succeeding legal person or (ii) in case of transfer, contribution, scission or any other type of disposal of all or part of the Guarantor's business to the Issuer in one or several transaction(s).

11. PRESCRIPTION

Claims against the Issuer and/or the Guarantor for payment in respect of the Notes and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

12. MEETING AND VOTING PROVISIONS

The Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a masse (in each case, the "**Masse**") which will be subject to the below provisions of this Condition.

The *Masse* will be governed by the provisions of the French *Code de commerce* with the exception of Article R. 228-69 subject to the following provisions:

(i) *Legal Personality*

The *Masse* will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through a General Meeting of the Noteholders.

The *Masse* alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(ii) *Representative*

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (A) the Issuer, the members of its Management Board (*Directoire*) and Supervisory Board (*Conseil de surveillance*), its statutory auditors, or its employees as well as their ascendants, descendants and spouses; or

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of such alternate Representative, an alternate will be elected by the General Meeting.

(iii) *Powers of Representative*

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

(iv) *General Meeting*

A General Meeting may be held at any time, on convocation by the Issuer. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer a demand for convocation of the General Meeting. If such General Meeting has not been convened within two (2) months after such demand, the Noteholders may commission one of their members to petition a competent court in Nanterre to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 16 not less than fifteen (15) days prior to the date of such General Meeting. (v) *Powers of the General Meetings*

The General Meeting may act with respect to any matter that relates to the common rights, actions and benefits which now or in

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least one fifth of the Notes carrying voting rights. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Noteholders attending such General Meetings or represented thereat.

In accordance with Article R. 228-71 of the French *Code de commerce*, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant account holder of the name of such Noteholder as of 0:00, Paris time, on the second (2nd) business day in Paris preceding the date set for the meeting of the relevant general assembly.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 16.

(vi) *Written Resolution and Electronic Consent*

(A) Pursuant to Article L. 228-46-1 of the French *Code de commerce*, in respect of any Series of Dematerialised Notes only, the Issuer shall be entitled, in lieu of convening a General Meeting, to seek approval of a resolution from the Noteholders by way of a Written Resolution. Subject to the following sentence a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders. Noteholders expressing their approval or rejection before the Written Resolution Date will undertake not to dispose of their Notes until after the Written Resolution Date.

(vii) *Effect of Resolutions*

A resolution passed at a General Meeting, and a Written Resolution or an Electronic Consent, shall be binding on all Noteholders, whether or not present at the General Meeting and whether or not, in the case of a Written Resolution or an Electronic Consent, they have participated in such Written Resolution or Electronic Consent and each of them shall be bound to give effect to the resolution accordingly.

(viii) *Information to Noteholders*

Each Noteholder or Representative thereof will have the right, during the 15-day period preceding the holding of each General Meeting and Written Resolution Date, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting or the Written Resolution.

(ix) *Expenses*

The Issuer will pay all expenses relating to the calling and holding of General Meetings and seeking of a Written Resolution and, more generally, all administrative expenses resolved upon by the General Meeting or in writing by the Noteholders, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(x) *Benchmark Discontinuation*

By subscribing the Notes and solely in the context of a Benchmark Event which leads to the application of a Benchmark Amendment, each Noteholder shall be deemed to have agreed and approved any Benchmark Amendments or such other necessary changes pursuant to Condition 6(c)(iii)(D).

13. MISCELLANEOUS

The contingent nature of the *cautionnement* has a number of important consequences. These include the fact that the Guarantor is only liable under the guarantee if, and to the extent that, the primary debtor is itself liable under the guaranteed obligations.

Saint-Cloud, April 28, 2020 – Elis, an international multiservice provider, offering textile, hygiene and facility services solutions in Europe and Latin America, today announces its revenue for the 3 months ended March 31, 2020.

Commenting on the announcement, **Xavier Martiré, CEO of Elis**, said:

"The Covid-19 epidemic triggered an unprecedented global crisis, with more than half of world's population currently subject to lockdown. In this context, Elis' revenue decreased on an organic basis by 1.8% in Q1, of which -12% in March, reflecting the gradual implementation of confinement measures in most countries in which we operate. This decrease, although significant, must be seen in the exceptional current context. If our Hospitality activity is now almost stopped, it is important to highlight the resilience of many of our clients in Industry, in Trade & Services and in Healthcare segments.

Moreover, the Group's diversified geographical footprint, resulting from the M&A strategy carried out for many years, enables us to be present in regions where activity has held up well, such as Latin America, or in most of the countries of the former Berendsen scope, notably in Scandinavian countries and Germany.

As indicated in March, Elis has rapidly adjusted its business to the exceptional crisis: As soon as the first confinement measures were taken in Europe, the Group adjusted its operational and managerial structures in order to preserve its margins as early as possible. As of today, we temporarily closed approximately one hundred sites.

Other measures have also been taken to improve the Group's liquidity. Elis obtained, at its request, a waiver regarding its bank covenant test as of 30 June 2020 in order to benefit from greater financial flexibility to face this sensitive period more comfortably; similar discussions will take place in the near future to obtain another waiver for the 31 December 2020 test. The Group has no major debt maturity before 2023 and has, as of today, more than €1.1bn of liquidity in the form of two revolving lines of credit for an undrawn amount of €800mn and c. €300mn in cash.

At this stage, it is still too early to provide a new 2020 outlook. Our April activity will follow the same trend as observed in the second half of March, with decrease in revenue of c. -40% on an organic basis. However, in the past few days, we have noted a slight rebound of activity in the countries where confinement measures were softened or lifted such as Denmark, Italy and Poland, where we observe initial signs of recovery for some of our clients.

Although the current situation requires the utmost vigilance, we face the next months with serenity: The Group's fundamentals are strong, our diversification is a major advantage and our business model will enable Elis to benefit immediately from the recovery of its clients. The Group will also be in a position to seize commercial opportunities that will arise to meet the needs of our clients in a post-Covid-19 world.

Elis is particularly proud to count as clients in many countries, several public health organizations, such as the NHS in the UK or AP-HP in France, therefore contributing, thanks to the quality of our services, to the global effort to contain the epidemic.

I wish to warmly thank all the employees of the Group who continue to work with passion and commitment, allowing us to keep providing outstanding quality of service to our clients in our 28 countries."

France

Q1 2020 organic revenue growth was down -4.1%. After a very good start to the year (+5.8% organic growth in January and +3.5% in February), our activity strongly suffered from the Covid-19 sanitary crisis and from the confinement measures taken in March. Hospitality, a segment that represented approximately one-third of the country's revenue in 2019, was almost stopped since mid-March. Industry, Trade & Services posted a more moderate decrease. Healthcare was flat in Q1: The good commercial dynamism was offset by a drop in patients in hospitals to make room for Covid-19 patients, implying lower linen rotation.

Central Europe

Q1 2020 organic revenue growth was slightly up by +0.6%. The beginning of the year was good, and the high exposure of this geography to the Healthcare segment, as well as the relatively resilient industrial activities, contained the decrease observed following the implementation of confinement measures of varying degree from one country to another. The Netherlands and Poland were strongly up in Q1, including in March. Germany was slightly up in Q1, with a moderate -3% decrease in March. Switzerland and Belgium, countries with a greater exposure to Hospitality posted a higher contraction.

Scandinavia & Eastern Europe

Q1 2020 organic revenue growth was slightly down by -0.3%. The fact that the greater portion of our clients operate in the Industry segment enabled to somewhat limit the decrease in March at -4.5%. Sweden, the largest contributor, posted only a -2% decrease in March and remained stable over the quarter. Denmark registered a larger contraction in March but contained the decrease at -4% over the quarter. Norway and the Baltic countries recorded solid organic growth in Q1, including in March.

United Kingdom & Ireland

Q1 2020 organic revenue growth was down -6.7%. After a slight increase in February, the situation deteriorated in March with a -18% decrease in revenue. Approximately one-third of revenue is in Hospitality, a segment that has virtually stopped since the implementation of confinement measures in the second half of March. Industry and Trade & Services represent another third of total revenue and also decreased strongly. The Healthcare segment, accounting for the remaining third, was flat in Q1, with a negative effect in March for the same reasons as in France (non-urgent medical care was postponed to make more room for Covid-19 patients).

Southern Europe

Q1 2020 organic revenue decreased by -5.8% with a marked slowdown in March (-29%). The geography is highly exposed to the Hospitality segment (more than 60% of total revenue in 2019) and suffered from the near-total interruption of hotel activity (administrative closure of hotels in Spain).

Latin America

Q1 2020 organic revenue was up +6.4% with the first two months at more than 9% growth. In March, growth was close to +1%: Brazil and Colombia were prepared to face the epidemic and we

observed at the end of March in the Healthcare segment the same situation as in France and the UK: Non-urgent medical care was postponed to make room for Covid-19 patients, implying lower activity in hospitals.

Operational actions

As indicated in March, Elis implemented drastic measures in order to preserve its margins and cash generation in this exceptional environment:

- As of today, c. 100 plants have been temporarily shut down or are virtually stopped, especially in France, Spain and the UK, most of the time by transferring volumes between plants of the same region, in order to optimize capacity and control costs;
- The workforce is adjusted centrally and in all the plants that are impacted by a decrease in our clients' activity;
- The 2020 industrial capex plan is under review, with the cancellation of all projects aimed at increasing capacity. Furthermore, we anticipate a very significant decrease in linen capex for the year.

Thanks to the swift implementation of all these measures, Group free cash flow was positive in March and in the first three weeks of April.

Debt and liquidity

In order to absorb the fallout from the crisis with greater comfort, the Group has obtained, at its request, a waiver regarding its bank covenant test as of 30 June 2020. This bank covenant concerns (i) the two revolving lines of credit underwritten by a pool of French and European relationship banks and (ii) the USPP-type private placement underwritten by a pool of American investors led by Barings. Elis was dispensed from paying fees for this waiver, underscoring the excellent relationship between the Group and its lenders.

On March 24, the Group has drawn a total of €200mn, i.e. €100mn on each of the two revolving credit lines;

On April 15, the Group placed €125mn of Commercial paper at 0.58%, maturity April 2021;

On April 24, the Group reimbursed €100mn out of the €200mn previously drawn (€50mn reimbursed from each of the two revolving credit lines). Consequently, €100mn remain drawn and available in cash.

Hence, Elis today has c. €1.1bn liquidity at its disposal, in the form of (i) two revolving lines of credit for an undrawn amount of €800mn and (ii) c. €300mn in cash. Furthermore, the Group has no major debt maturity before 2023. Additionally, in order to further strengthen the Group's liquidity, and as announced on March 31, the Management Board has decided:

- After approval by the Supervisory Board, to withdraw the proposed payment of €0.39 per share for 2019 from the resolutions to be adopted by the next shareholders' meeting;
- The suspension, until further notice, of any M&A activity. Only the transactions for which a signing has been announced or which are in their final stage will be completed.

Management compensation

Out of solidarity with Elis' employees, Xavier Martiré, Chairman of the Board, as well as other Management Board members, Executive committee members and country management committee members in all Group countries, i.e. approximately 200 people in total, have consented to a decrease of their remuneration.

Since April 1st, the monthly fixed compensation of Xavier Martiré has been temporarily reduced by 25%, while that of the other Board members and Executive Committee members is reduced by 10%.

Outlook

Given current uncertainties, the Group is unable to provide a new 2020 outlook at this stage.

However:

- Elis expects a sharper decrease in activity in Q2 compared to Q1;
- April should constitute a low point, with the full effect of the confinement measures implemented in Europe over the second half of March;
- April organic revenue evolution is expected to be c. -40%, with the Hospitality business virtually stopped, c. -20% in Industry, c. -30% in Trade & Services and c. -15% in Healthcare;
- For each euro of lost revenue, EBITDA would decrease by about 50 cents; furthermore, 20 cents would be saved on investments and 10 cents on tax.

Shareholder meeting

The annual shareholder meeting will be held at the Group's headquarters on June 30, 2020 and will be webcasted. Log-in information will be provided at a later stage.

SUBSCRIPTION AND SALE

Overview of Amended and Restated Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 29 April 2020 (the “**Amended and Restated Dealer Agreement**”) between the Issuer, the Guarantor, the Dealers named therein (the “**Permanent Dealers**”) and the Arranger, the Notes will be offered on a continuous basis to the Permanent Dealers. However, the Issuer has reserved the right to issue Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be placed by the Issuer through the Dealers, acting as agents of such Issuer. The Amended and Restated Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for certain of its expenses incurred in connection with the establishment of the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Amended and Restated Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

United States

The Notes and the Guarantee have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), or with any securities regulatory authority of any state or other jurisdiction of the United States, and may not be offered or sold within the United States, or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the Securities Act (“**Regulation S**”) or pursuant to an exempt from the registration requirements of the Securities Act and in compliance with any applicable state securities laws. Terms used in this paragraph have the meanings given to them by Regulation S.

Materialised Bearer Notes are bearer notes under U.S. tax law which are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions, or to a U.S. person except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that, except as permitted by the Amended and Restated Dealer Agreement, it will not offer, sell or, in the case of Materialised Bearer Notes, deliver Notes of any Tranche, (i) as part of its distribution at any time or (ii) otherwise until forty (40) days after completion of the distribution of such Tranche as determined, and certified to the Issuer, by the Fiscal Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the

distribution compliance period a confirmation or other notice setting out the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S. Furthermore, each Dealer has represented and agreed that neither it, its affiliates, nor any persons acting on any of their behalf, has engaged or will engage in any “directed selling efforts” (as defined in Rule 902(c) of Regulation S) with respect to the Notes and each of the foregoing persons has complied and will comply with the offering restrictions requirements of Regulations S.

The Notes are being offered and sold outside the United States to non-U.S. persons in compliance with Regulation S and U.S. tax law.

In addition, until forty (40) days after the commencement of the offering of any Tranche of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Base Prospectus does not constitute an offer to any person in the United States or to any U.S. person. Distribution of this Base Prospectus by any non-U.S. person outside the United States or to any other person within the United States, other than those persons, if any, retained to advise such non-U.S. person with respect thereto, is unauthorised and any disclosure without the prior written consent of the Issuer or any of its contents to any such U.S. person or other person within the United States, other than those persons, if any, retained to advise such non-U.S. person, is prohibited.

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that it:

(b) has not distributed or published and will not distribute or publish, the Base Prospectus or any other offering material or advertisement relating to the Notes in Australia,

unless

- (i) the aggregate consideration payable by each offeree or invitee is at least A\$500,000 (or its equivalent in an alternative currency) (disregarding moneys lent by the offeror or its associates) or the offer or invitation does not otherwise require disclosure to investors in accordance with Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia;
- (ii) the offer or invitation is not made to a person who is a “retail client” within the meaning of section 761G of the Corporations Act 2001 of Australia;

- (iii) in so far as it is applicable, the transfer complies with Banking exemption No. 1 of 2018 dated 21 March 2018 promulgated by the Australian Prudential Regulation Authority as if it applied to the Issuer *mutatis mutandis* (and which requires all offers of any parcels of Notes to be for an aggregate principal amount of at least A\$500,000);
- (iv) such action complies with all applicable laws and regulations or directives in Australia; and
- (v) such action does not require any document to be lodged with ASIC.

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer or the Guarantor; and

Belgium

The Notes may not be distributed in Belgium by way of an offer of securities to the public, as defined in Article 3 §1 of the Belgian Law of 16 June 2006 on public offerings of investment instruments and the admission of investment instruments to trading on regulated markets (the “**Prospectus Law**”), save in those circumstances set out in Article 3 §2 of the Prospectus Law.

The offering is exclusively conducted under applicable private placement exemptions and therefore it has not been and will not be notified to, and the Base Prospectus or any other offering material relating to the Notes has not been and will not be approved by, the Belgian Financial Services and Markets Authority (“*Autorité des services et marchés financiers/Autoriteit voor Financiële Diensten en Markten*”).

Accordingly, the offering may not be advertised and each of the Dealers has represented and agreed that it has not offered, sold or resold, transferred or delivered, and will not offer, sell, resell, transfer or deliver, the Notes and that it has not distributed, and will not distribute, any memorandum, information circular, brochure or any similar documents, directly or indirectly, to any individual or legal entity in Belgium other than qualified investors, as defined in Article 10 of the Prospectus Law, acting for their own account and in any other circumstances set out in Article 3 §2 of the Prospectus Law.

The Notes are not intended to be sold to Belgian Consumers. Accordingly, Notes issued under this Programme will not be offered to, or placed with Belgian consumers.

For these purposes, a “**Belgian Consumer**” has the meaning provided by the Belgian Code of Economic Law, as amended from time to time (*Wetboek van 28 februari 2013 van economisch recht/Code du 28 février 2013 de droit économique*), being any natural person resident or located in Belgium acting for purposes which are outside his/her trade, business or profession.

These selling restrictions may be modified or supplemented by the agreement of the Issuer, the Guarantor and the Dealers following a change in a relevant law, regulation or directive. Any such modification will be set out in a Supplement to this Base Prospectus.

Save as stated herein, no action has been taken in any jurisdiction that would permit an offer to the public of any of the Notes. Neither the Issuer, the Guarantor nor any of the Dealers represents that Notes may at any time lawfully be resold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such resale.

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will (to the best of its knowledge and belief after making reasonable enquiries) comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and obtain any consent, approval or permission required for the purchase, offer or sale of Notes under the laws and regulations in force in any jurisdiction in which it makes such purchase, offer or sale and none of the Issuer or the Guarantor or any other Dealer shall have responsibility therefor.
